SIR,

With reference to your Memo No. 1246 dated 29th November 1930 intimating the publication of the preliminary notification relating to the acquisition of Survey Numbers 240 and 241 of Avani Village, Mulbagal Taluk for gathering cattle in the Jatra at Avani, I have the honour to state that the owners who are thoties petitioned on 17-3-31 that the cattle were allowed to gather on the above Survey Numbers from time immemorial; that they were taking away the manure every year; that their right was also recognized; that the villagers including the Dharmadarsis of the temple tried to deprive the thoties of the right to take away the manure collected during the Jatra for some consideration to which the thoties did not agree; and that they (the owners of the lands) might therefore be allowed to retain the right to take away the manure during the Jatra. In support of their claim, the petitioners have produced an order of the Deputy Commissioner (No. CC.3/3-6-88) Flag A. The order states that the owners of the lands on which the cattle gathered should alone be permitted to remove the manure etc., in their respective areas.

This prayer of the owners of the lands to be allowed the right of removing the manure during Jatra, which has been exercised for several years past, deserves consideration and in passing the award the Land Acquisition Officer may take into consideration the right of the thoties to manure.

Final declaration statements in duplicate in English and Kanna under Section 3 of the Land Acquisition Regulation are enclosed. Sanction of Government may be kindly obtained to the acquisition of the properties, the Sub Division Officer, Kolar being appointed to
